Dear Parents and Carers,

As this is our last newsletter for 2020, our staff would like to wish you an enjoyable festive break with families and friends. It is a pleasure to be part of such a wonderful school community and its reputation in the much wider community across the Central Coast is very positive which is kudos to our families and their dedication to the school. We hope you keep safe and look forward to seeing you in 2021.

EBPS 17 and 18 December 2020

Students finish school on Wednesday, 16 December 2020 and staff finish on Friday, 18 December. This year, staff have completed training in advance which means attendance on Friday, 18 December is not required. On Thursday, 17 December, staff will be participating in professional learning for Visible Learning with Point Clare Public School held at EBPS.

Reports

Reports will come out Monday of the last week of term (14 December). If you wish to discuss anything from the Reports, please arrange to meet with the teacher on Tuesday or Wednesday. Please note that 'Other KLA' areas use a standard comment to meet a grade expectation. These look very similar. English and Maths comments are personalised as well as the General Comment. Sometimes comments will be alike if children have a similar ability because that may be the best way to communicate that point for more than one child.

We have our Christmas tree up in the school office foyer and are requesting donations for under privileged children on the coast.

Items may be left at the school gate anytime during the day.

We would like donations of gifts for a child or non-perishable items, especially ones with a Christmas theme. This Year the gifts are not to be wrapped but if you would like to include a gift bag that would be appreciated.

We ask that donations are all here by Thursday 10th December ready for collection on Friday 11th December.

Thank you in advance in support of this initiative.
